Choshi Electric Railway For Choshi, approx. 16mins, 340 yen

Confirm in advance as there are only one to two trains per hour on Choshi Electric Railway. In addition to the "one-day boarding pass", which allows users to get on and off as many times as they like on all lines, "Value-added one-day boarding pass", which includes the must-see "Chikyu no Maruku Mieru Oka Ocean View Observatory (Hill-top observatory to see the roundness of the globe)" and other privileges, is also available. Make your choice according to your purposes.

The grounds enshrine deities from 188 locations throughout Japan allowing a temple pilgrimage to pay reverence to 189 locations at once.
